

WELCOME.

ABOUT US

At Little Snappers Swim Schools we are boutique aquatic education centres that specialise in small class sizes and a program developed from over 35 years experience.

At Little Snappers we focus on child development principles, the rights of children in an aquatic environment, and teaching from the heart.

The path at Little Snappers is clear - our priority is to produce children who are safer in and around water and who swim with great technique!

WHAT TO BRING

Little Snappers Swim School facility is equipped with change tables, heated bathrooms and showers. Apart from bringing your towel and swimmers children will also be required to bring the following;

Under the age of 3 years:

- Swim Nappy & Swimmers
- Towel
- Optional – Cap & Goggles - can be purchased in our swim shop

Learn to swim:

- Swimmers & Towel
- Cap & Goggles - can be purchased in our swim shop

Squad:

- Swimmers & Towel
- Cap and Goggles - can be purchased in our swim shop
- Flippers - can be purchased in our swim shop

Children over the age of 3 years old are encouraged to wear goggles in the water.

Our swim store offers a full arrange of swimming gear & accessories.

WHAT TO EXPECT

Like any new activity whether, you are an adult or a child, new environments can be daunting. Your child's first class will be an introduction to their teacher and a welcoming environment which enables your child to become familiar with the new surroundings. Not all children will get into the water for the first lesson and this lesson becomes a "getting to know each other" introduction. Our instructors teach from the heart and the rights of children are always the centre of our philosophies.

WHERE YOU WILL PROGRESS TO

The following is the Little Snappers progression chart. This chart will guide you step by step on your child's swimming journey.

You can also login to the Customer Portal through the iClass App or login from any web browser where you can access your child's skill and level progression.

THANK YOU

Thank you for swimming with Little Snappers Swim School.
We look forward to being apart of your child's swimming journey.

LOVE LAUGH SWIM
